

INSURANCE POLICY DOCUMENT — POLICY ID: P002

Policy Classification: Commercial Fleet Vehicle & Cargo Transit Indemnity Policy **Issued By:** SecureShield Commercial
Risks Insurance Corporation **Target Object:** Insured Commercial Assets / Registered Logistics Fleet Vehicles
Regulatory Status: Active Legal Framework for Commercial Claims Underwriting

SECTION 1: SCOPE OF COVERAGE & INSURED PERILS

This commercial fleet policy provides extensive financial indemnity and liability protection against specific operational hazards directly causing structural damage, commercial liability, or transit loss. The policy actively covers the following explicitly defined perils:

- Third-Party Liability:** Comprehensive compensation for legally mandated third-party bodily injury, accidental fatality, or external third-party property damage arising directly from fleet vehicle operations.
- Cargo and Goods Transit Loss:** Protection for commercial freight, merchandise, and cargo assets against damage during active transit caused by collision, vehicle overturning, or fire.
- Roadside Breakdown and Towing:** Emergency logistic recovery, vehicle pulling, and technical roadside rescue operations for stranded heavy-duty commercial fleet units.
- Vandalism and Civil Commotion:** Indemnity against malicious property destruction, targeted fleet vandalism, and structural damages caused during localized civil unrest.

SECTION 2: COMPREHENSIVE COVERAGE LIMITS & LIABILITY CAP

The liability of the insurance corporation is strictly capped up to the Commercial Liability Threshold per individual event. Claims exceeding these specified thresholds will be subject to partial approval or out-of-pocket corporate expenses.

- Third-Party Liability Caps:** The maximum payable financial liability limit for third-party injury or property damage per event is capped strictly at **Rs. 1,000,000 (Ten Lakh Rupees)**.
- Cargo Transit Coverage Limits:** Loss or structural degradation caused to customer cargo under active transit is legally capped up to a maximum threshold of **Rs. 750,000 (Seven Lakh Fifty Thousand Rupees)** per shipping

manifest.

- **Roadside Towing Recovery Limits:** Emergency logistical hauling and roadside towing expenses are covered up to a maximum threshold of **Rs. 50,000 (Fifty Thousand Rupees)** per breakdown incident.
 - **Vandalism Damage Coverage Limits:** Structural restoration for fleet cabins or chassis following malicious civil destruction is capped at **Rs. 300,000 (Three Lakh Rupees)** per vehicle unit.
-

SECTION 3: POLICY EXCLUSIONS & NON-PAYABLE CLAIMS

The corporation is not legally liable to make any transaction or award compensation under this commercial policy if the damage or loss arises from the following strict fleet policy exclusions:

- **Overloaded Vehicles & Weight Infractions:** Any structural, mechanical, or operational damage occurring while the fleet vehicle is carrying loads exceeding official gross vehicle weight (GVW) specifications.
 - **Geographical and Territorial Violations:** Claims are completely excluded if the vehicle operates or meets with an incident outside designated domestic transit routes or permitted regional borders.
 - **Unauthorized Route Deviations:** Any incident occurring during unlogged, unauthorized route deviations or personal errands executed outside corporate dispatch manifests.
 - **Standard Wear, Tear, and Depreciation:** Rejection of claims arising from routine operational wear, mechanical aging, tire punctures, gradual corrosion, or structural metal fatigue.
-

SECTION 4: MANDATORY CLAIM REQUIREMENTS & DOCUMENTATION

To successfully initiate, validate, and verify an active commercial fleet insurance claim evaluation process, the claimant corporation must submit the following verified evidentiary proof:

1. **Commercial Transport Permit:** Submission of a valid, unexpired regional transport authority permit authorizing the active commercial transit operation.
 2. **Active Fitness Certificate:** Verification logs indicating the fleet vehicle possessed an active, state-approved mechanical fitness certificate at the time of the incident.
 3. **Commercial Endorsement Driving Licence:** A valid commercial vehicle driving license belonging to the designated corporate driver operating the unit during the accident.
 4. **Official Trip Logbook & Manifest Ledger:** Unedited corporate trip logbook entries matching the specific route dispatch timeline and cargo shipping manifests.
-

SECTION 5: GENERAL CLAIMS PROCESSING & EVALUATION RULE

All submitted commercial fleet claim applications undergo automated risk scoring and policy coverage validation parameters. All coverage validation parameters are strictly subject to the stated incident limits, explicit policy exclusions, and strict claim requirements documented above.

Regulatory Disclaimer: Any automated or AI-generated recommendation (such as APPROVE, REJECT, or REFER) should not be treated as a definitive or final claim decision. A certified human claims handler and authorized insurance underwriter must thoroughly review the generated recommendation, examine the associated evidence logs, and execute the final authorization.
