

INSURANCE POLICY DOCUMENT — POLICY ID: P004

Policy Classification: Family Floater Health Indemnity and Hospitalization Policy **Issued By:** SecureShield Health & Medical Indemnity Corporation **Target Object:** Insured Primary Policyholder and Named Dependent Family Members
Regulatory Status: Active Legal Framework for Health Claims Underwriting

SECTION 1: SCOPE OF COVERAGE & INSURED PERILS

This family floater health insurance policy provides comprehensive financial indemnity against medical expenses incurred during active inpatient hospitalization, specialized critical treatments, or emergency healthcare scenarios. The policy actively covers the following explicitly defined perils:

- Inpatient Hospitalization Care:** Full financial protection for room boarding, nursing care, intensive unit monitoring, professional fees for surgeons, medical practitioners, consultants, and specialists.
- Day Care Procedures:** Indemnity for medical operations, surgical interventions, and advanced therapeutic treatments undertaken under local anesthesia in less than 24 hours due to technological advancements.
- Pre-and-Post Hospitalization Expenses:** Compensation for diagnostic evaluations, blood panels, specialized consultations, and outpatient medications consumed immediately prior to or following an inpatient stay.
- Emergency Road Ambulance:** Financial coverage for medical transport, ambulance dispatch, and critical en-route life-support systems required to move the patient to a networked clinical facility.

SECTION 2: COMPREHENSIVE COVERAGE LIMITS & LIABILITY CAP

The liability of the health corporation is strictly capped up to the total Aggregate Sum Insured distributed across all covered family members per policy year. Claims exceeding these limits must be managed out-of-pocket.

- Inpatient Aggregate Hospitalization Limits:** The maximum payable financial liability limit for active inpatient care across all members combined is capped strictly at **Rs. 700,000 (Seven Lakh Rupees)** per annum.
- Intensive Care Unit (ICU) Boarding Caps:** Daily financial liability for ICU room boarding, critical monitoring apparatus, and specialized high-care nursing is capped at **Rs. 15,000 (Fifteen Thousand Rupees)** per day.

- **Pre-and-Post Hospitalization Limits:** Ancillary coverage for outpatient diagnostic medical assessments and pharmacy bills is capped up to a maximum threshold of **Rs. 50,000 (Fifty Thousand Rupees)** per hospitalization event.
 - **Emergency Road Ambulance Allowance:** Emergency surface ambulance transit claims are capped strictly at **Rs. 5,000 (Five Thousand Rupees)** per valid hospitalization transport event.
-

SECTION 3: POLICY EXCLUSIONS & NON-PAYABLE CLAIMS

The corporation is not legally liable to execute payments, clear hospital ledgers, or authorize cashless settlements under this policy if the medical event implicates the following strict exclusions:

- **Pre-Existing Ailments Waiting Period:** Absolute exclusion of any medical costs, treatments, or complications arising directly or indirectly from pre-existing chronic conditions during the mandatory **36-month initial waiting period** from policy inception.
 - **Aesthetic and Cosmetic Surgeries:** Any surgical intervention performed strictly for cosmetic enhancements, plastic surgeries, skin resurfacing, or aesthetic modifications, unless structurally forced due to accidental trauma.
 - **Obesity and Weight Management Treatments:** Total exclusion of bariatric surgeries, specialized weight reduction regimes, liposuction procedures, or clinical treatments targeting metabolic weight issues.
 - **Experimental and Alternative Therapies:** Rejection of claims related to non-approved alternative medicine, experimental clinical drug trials, or therapies lacking standard regulatory certification.
-

SECTION 4: MANDATORY CLAIM REQUIREMENTS & DOCUMENTATION

To successfully initiate, validate, and verify an active health insurance claim evaluation process (reimbursement or cashless), the claimant must submit the following verified evidentiary proof:

1. **Official Hospital Discharge Summary:** Presentation of an authentic, detailed discharge summary sheet explicitly bearing the treating hospital's official stamp, final diagnosis codes, and patient status.
 2. **Itemized Pharmacy Invoices:** Submission of original itemized pharmacy retail bills matching the precise medicines dispensed during the hospital stay timeline.
 3. **Internal Diagnostic Lab Reports:** Certified internal laboratory panels, imaging films, CT/MRI diagnostic scans, and clinical test outcomes proving the objective medical necessity of the treatment.
 4. **Cashless Authorization Request Form:** For network admissions, a fully completed and signed pre-authorization request form submitted within the designated window.
-

SECTION 5: GENERAL CLAIMS PROCESSING & EVALUATION RULE

All submitted family floater health claim applications undergo automated risk scoring and policy coverage validation parameters. All coverage validation parameters are strictly subject to the stated incident limits, explicit policy exclusions, and strict claim requirements documented above.

Regulatory Disclaimer: Any automated or AI-generated recommendation (such as APPROVE, REJECT, or REFER) should not be treated as a definitive or final claim decision. A certified human claims handler and authorized insurance underwriter must thoroughly review the generated recommendation, examine the associated evidence logs, and execute the final authorization.
