

INSURANCE POLICY DOCUMENT — POLICY ID: P006

Policy Classification: Senior Citizen Comprehensive Health & Geriatric Indemnity Plan **Issued By:** SecureShield Health & Medical Indemnity Corporation **Target Object:** Insured Primary Policyholder (Aged 60 and Above) **Regulatory Status:** Active Legal Framework for Senior Citizen Care Underwriting

SECTION 1: SCOPE OF COVERAGE & INSURED PERILS

This comprehensive healthcare policy provides dedicated financial protection and geriatric medical indemnity tailored to meet the specific physiological and healthcare needs of senior citizens. The policy actively covers the following explicitly defined perils:

- Geriatric Therapeutic Care:** Comprehensive financial coverage for age-related illnesses, acute inpatient admissions, physical stabilization, and general medical ward hospitalization.
- Advanced Ophthalmic Interventions:** Specialized indemnity for corrective eye surgeries, day-care vision restorations, and surgical cataract extraction procedures.
- Domiciliary At-Home Medical Support:** Financial compensation for medical treatments administered directly at the insured individual's residence under strict medical supervision when the patient cannot be moved safely to a hospital.
- Organ Donor Medical Expenses:** Comprehensive coverage for inpatient hospitalization surgical costs incurred by an organ donor during the active harvesting of an organ for transplantation into the insured individual.

SECTION 2: COMPREHENSIVE COVERAGE LIMITS & LIABILITY CAP

The liability of the corporation is bound strictly to the elder-care financial schedules designated below. Claims exceeding these thresholds are the direct responsibility of the policyholder.

- Geriatric Baseline Hospitalization Limits:** The maximum payable financial liability limit across all standard inpatient claims is capped strictly at **Rs. 400,000 (Four Lakh Rupees)** per policy year.

- **Cataract Surgical Intervention Caps:** Surgical extraction, advanced intraocular lens insertion, and associated ophthalmic theater charges are capped strictly at **Rs. 40,000 (Forty Thousand Rupees)** per individual eye.
 - **Domiciliary Care Maximum Allowance:** At-home professional nursing deployments and clinical treatments overseen by a registered medical practitioner are capped up to **Rs. 60,000 (Sixty Thousand Rupees)** per incident lifecycle.
 - **Organ Donor Hospitalization Threshold:** Indemnity for the surgical harvesting expenses of a compatible organ donor is capped up to a maximum threshold of **Rs. 150,000 (One Lakh Fifty Thousand Rupees)**.
-

SECTION 3: POLICY EXCLUSIONS & NON-PAYABLE CLAIMS

The corporation is not legally liable to authorize payouts or execute financial clearances under this policy if the medical event implicates the following strict exclusions:

- **Routine Dental Cleanings & Prophylaxis:** Absolute exclusion of standard dental checkups, routine cleanings, cosmetic tooth whitening, scaling, or non-accidental dental extractions.
 - **Non-Prescribed Dietary Supplements:** Rejection of claims for over-the-counter dietary supplements, general vitamins, standalone mineral tonics, or rejuvenation therapies not directly tied to a clinical prescription.
 - **Spectacles & Hearing Aid Replacements:** Exclusion of financial costs associated with regular eye examinations, prescription change lenses, frame replacements, or routine hearing aid device updates.
 - **Self-Medication & Prescription Altering:** Absolute exclusion of hospitalization costs resulting from unauthorized self-medication, medical negligence, or toxic drug reactions caused by deliberately altering doctor-prescribed dosages.
-

SECTION 4: MANDATORY CLAIM REQUIREMENTS & DOCUMENTATION

To successfully initiate, validate, and verify an active senior citizen insurance claim evaluation process, the claimant must submit the following verified evidentiary proof:

1. **Treating Physician's Daily Case Notes:** Presentation of daily clinical progression sheets, diagnostic reasoning logs, and vital tracking data compiled by the attending medical practitioner.
 2. **Original Indoor Case Papers:** Certified photocopies of the official indoor case registry from the hospital records department, detailing the hourly clinical timeline.
 3. **Physical Pharmacy Receipts:** Signed, stamped, and sequentially numbered bills for all drugs and medical consumables purchased during the hospitalization timeline.
 4. **Official Age Verification Certificate:** A legally recognized identity document (such as a birth certificate or state ID) confirming the claimant's senior citizen age eligibility at the time of admission.
-

SECTION 5: GENERAL CLAIMS PROCESSING & EVALUATION RULE

All submitted senior citizen claim applications undergo automated risk scoring and policy coverage validation parameters.

All coverage validation parameters are strictly subject to the stated incident limits, explicit policy exclusions, and strict claim requirements documented above.

Regulatory Disclaimer: Any automated or AI-generated recommendation (such as APPROVE, REJECT, or REFER) should not be treated as a definitive or final claim decision. A certified human claims handler and authorized insurance underwriter must thoroughly review the generated recommendation, examine the associated evidence logs, and execute the final authorization.
