

INSURANCE POLICY DOCUMENT — POLICY ID: P007

Policy Classification: Comprehensive Residential Property Structure & Home Contents Indemnity Plan **Issued By:** SecureShield Property & Casualty Insurance Corporation **Target Object:** Insured Residential Real Estate Structure and Listed Domestic Contents **Regulatory Status:** Active Legal Framework for Real Estate & Property Claims Underwriting

SECTION 1: SCOPE OF COVERAGE & INSURED PERILS

This residential property insurance policy provides extensive financial indemnity and asset protection against sudden physical destruction, catastrophic loss, or unlawful intrusion affecting the covered housing structure or its interior assets.

The policy actively covers the following explicitly defined perils:

- Catastrophic Structural Damage:** Full financial compensation for major structural failure, civil masonry collapse, or wall fractures caused directly by seismic events, earthquakes, or direct lightning strikes.
- Domestic Burglary & Housebreaking:** Complete asset recovery and replacement value coverage for high-value home contents, personal electronics, and domestic furniture stolen during forced, unlawful entries.
- Internal Fire & Wiring Short-Circuit:** Financial indemnity against structural or interior damages caused by localized electrical fires, wiring short-circuits, gas explosions, or spontaneous kitchen flare-ups.
- Bursting of Water Apparatus:** Mitigation of damage caused to floors, ceilings, and internal decor due to the sudden, accidental bursting or overflowing of domestic water tanks, internal pipelines, or heating apparatus.

SECTION 2: COMPREHENSIVE COVERAGE LIMITS & LIABILITY CAP

The liability of the property insurance corporation is strictly bound to the financial schedules listed below. Payouts are limited by independent valuations and structural ceilings.

- Structural Civil Damage Limits:** The maximum payable financial liability limit for active rebuilding, civil masonry restoration, and foundation repairs is capped strictly at **Rs. 4,000,000 (Forty Lakh Rupees)**.
- Home Contents & Electronics Burglary Caps:** Financial compensation for stolen home appliances, personal computers, high-value electronics, and domestic furniture is capped up to **Rs. 1,000,000 (Ten Lakh Rupees)** per

burglary event.

- **Fire Damage Structural Restorations:** Total indemnity for interior wall painting, structural woodwork, and localized asset restoration due to fire outbreaks is capped strictly at **Rs. 500,000 (Five Lakh Rupees)**.
- **Water Pipeline Burst Allowance:** Financial compensation for emergency plumbing repairs and subsequent moisture damage remediation is capped up to a maximum threshold of **Rs. 100,000 (One Lakh Rupees)**.

SECTION 3: POLICY EXCLUSIONS & NON-PAYABLE CLAIMS

The corporation is not legally liable to authorize payouts, issue restoration clearances, or disburse replacement funds under this policy if the incident involves the following strict exclusions:

- **Loss of Unmounted Jewelry & Loose Cash:** Absolute exclusion of claims involving the loss or theft of loose currency notes, financial bonds, physical gold coins, or unmounted diamond jewelry not secured in an approved built-in locker.
- **Unoccupied Property Vacancy Clause:** Rejection of claims for burglary or pipe bursts if the insured residential property structure has been left completely vacant, uninhabited, or unoccupied for more than **60 consecutive days** prior to the incident.
- **Slow-Onset Structural Dampness:** Exclusion of any property damages resulting from gradual water seepage, slow-onset structural dampness, rising groundwater tables, mold growth, or routine wear and weathering.
- **Intentional Vandalism by Property Owner:** Absolute exclusion of coverage applies if the structural destruction, wall damage, or interior fire was deliberately engineered, staged, or cross-facilitated by the property owner or legal occupants.

SECTION 4: MANDATORY CLAIM REQUIREMENTS & DOCUMENTATION

To successfully initiate, validate, and verify an active residential property insurance claim evaluation process, the claimant must submit the following verified evidentiary proof:

1. **Property Deed Registration Paperwork:** Presentation of authentic property ownership deeds, local municipal registration documents, and structural floor maps confirming clear title ownership.
 2. **Certified Fire Department Inspection Report:** An official inspection report compiled and issued by the regional fire marshal or municipal fire department validating the exact origin and cause of any fire incident.
 3. **Detailed Asset Inventory Listing:** A verified inventory ledger detailing the stolen or damaged items, backed by original purchase invoices, retail receipts, or authorized valuation certificates.
 4. **Formal Police Burglary Report / FIR:** An official First Information Report (FIR) signed by the local police authority detailing the forced entry, structural break-in timeline, and stolen items list.
-

SECTION 5: GENERAL CLAIMS PROCESSING & EVALUATION RULE

All submitted residential property claim applications undergo automated risk scoring and policy coverage validation parameters. All coverage validation parameters are strictly subject to the stated incident limits, explicit policy exclusions, and strict claim requirements documented above.

Regulatory Disclaimer: Any automated or AI-generated recommendation (such as APPROVE, REJECT, or REFER) should not be treated as a definitive or final claim decision. A certified human claims handler and authorized insurance underwriter must thoroughly review the generated recommendation, examine the associated evidence logs, and execute the final authorization.
